Help me! Do I hear Voices?

You wouldnt believe the cost of medication for the Insane! Well 4 kids will make you that way...

Shanti Boutique sent me a charm bracelet to review and I must say that it's beautiful, unique, and fun all in one. The charms are from their new line of items specially created with the peacefulness of yoga in mind. The best part about these charms is that you can continually update your look depending on what style you are wearing. It's easy to change them out as many times as your heart desires because they come with an easy-to-use clasp that is still sturdy enough to handle everyday wear.

Quite possibly the best aspect of this company is the fact that they are committed to Fair Trade working conditions to ensure the best quality product available.

Additionally, a portion of Shanti's profits goes to the Tibetan Children's Education Foundation (TCEF), "an organization dedicated to the preservation of Tibetan culture in exile."

Shanti Boutique is a proud member of both the Fair Trade Federation and the Green America Business Network.

Spoil yourself or someone you know with some beautiful jewelry! [Shanti Boutique](#) is offering all Barefoot Mommies readers a **20% off discount** when you use the code "Mommies20"
